Dear Judge Chapman

I am writing this letter because my husband and I are just two of the thousands of people that are under Peabody, Arch & Patriot Coal

If they get what they ask for a lot of people like us will suffer after all the men & women that have worked for them all these years & they said they would supply us with a retirement & Medical other like us are depending on this If they take our retirement & Medical the Social Security we draw wouldn't be enough for us to live on and buy our prescription and get Medical Ins all these retired people has worked paid dues help make Peabody, Arch & Patriot Coal what they are today if it hadn't been for a lot

of good working people that cared about
their job and worked for the day believing
the Company would do what they
promised they would do that was
to keep Inc + Retirement for as long as
we lived I'll pray for you that
God will help you make the right
decision

Dorothy Gibson

P.S. If this Company get busy
with this other companies will
do the same a lot of people will
suffer there's a enough suffering
in this world now as it is today
