

Honorable Shelly C. Chapman

I (Joseph L. Taylor Sr.) I'm writing on behalf of my mother (Marie N. Taylor) She is an retiree from Peabody Homestead Surface Mines.

I Joseph L. Taylor Sr. has power of attorney over my mother Marie N. Taylor. She currently has Alzheimers, Dementia. Marie is unable to care for herself.

Now my wife Janette and myself live and take total care of my mother Marie N. Taylor.

Without her United Mine workers insurance and Peabody Benefits. We would have a hard time taking care of mom medical and living expenses.

Marie N. Taylor has been hospitalized several times since May 2012. She also has Doctor visits and Medication she needs for her heart.

Please don't take away her Peabody Benefits. Without

them we would struggle
to meet her health care needs.

We are praying that you
don't take away what Marie
N. Taylor needs to survive.

Thanks
The Taylor Family

Marie N. Taylor
