Your Honorable Shelley C. Chapman,

I writing to you, your honorable,  
to please beg your decision regarding  
Partcoit Coal Bankruptcy to be moved to  
the courts in Charleston, West Virginia.

I beg for a little of your time,  
to give you my wife's and my own  
medical conditions, and how it would  
involve our life.

Starting with my wife, your  
honorable. Her name is Donna, she  
is 59 years of age. She is currently  
fighting breast cancer and suffers  
miserably with RA. I just know  
without our medical coverage that  
I would loose her. We've been  
married for 42 years, since she was  
a teen-ager. I couldn't face life  
without her.

As for myself, I gave all  
my younger healthy life to the  
coal mines in West Virginia. I'm now

disabled, I've had 5 knee surgeries, due to crawling in coal mines. I suffer from heart and lung issues due to working in the coal mines for over 30 years. I beg you, your honorable, I just don't know how in the world I would do without my health insurance.

As for my UMWA pension of only \$920.<sup>00</sup> a month, it does help pay my utilities and out of pocket medical and prescriptions bills.

Your honorable, I worked over 30 long hard years paying my dues and longing for the day I could hang up my hat and retire. Unfortunatly I didn't make it that long, due to my health caused by working all the long years, I was forced by my doctors to retire by disability.

I beg you, your honorable, to please consider my humble request. I know you'll do the right thing for the poor coal miners, who now have to suffer the rest of our lives with medical conditions.

I've give my all and now Detroit

Coal company wants to cheat my out  
off my precious medical benefits  
and my next retirement check.

Please, your honorable, I beg you  
for myself, my family and my  
fellow coal miners to please help  
us. I pray for your mercy to  
be upon us.

Thank you, your honorable, for  
your precious time.

Sincerely,  
Randall W. Toler

I got company money to check my car  
off my previous medical benefits  
and my next retirement plan.  
Please, your honorable, I am  
for the report, my family and  
in the past, and money to  
pay my expenses. I am  
in need of your help, your  
honorable, in your  
best interest.

Thank you,
