

Dear Judge Chapman,

my name is William Stanley Buckland.
I worked in the underground
coal mines for 25 years, all union,
and very proud of that.
all of those years were worked in West Virginia.
I am writing this letter to you because of
Patriot Coal trying to get out from under
obligations made to me & other people also.
I need the medical coverage since I
have some serious health issues.

I have one bad disk in my lower back,
& bad disks in my neck.

I had a heart attack in Feb. 2008.
I have heart disease,

I have poly cystic kidney disease. 31% percent
function. no cure. I have high uric acid
so my joints ache. I'm 60 yrs. old
so I probably don't have much longer
to live anyway. But God willing,
I would like to keep my health coverage
until I do. I am not asking you for
more of anything, rather I ask for your
help in keeping what we were promised.

Thank you

William Stanley Buckland
