

The Honorable Shelley C. Chapman
one Bowling Green
Courtroom 612

New York, New York 10004-1409

I am an old lady 86 years old,
the widow of a man working with
the UMW for 44 years.

I have had R-Osteoarthritis for a
period of 26 years along with a
few other things. On July 6, I had
surgery for a "Brain Tumor"
and still under the surgeon's care.

If I hadn't had the Health
Care from UMW, I just don't
know what I would have done
without their help.

I could tell a lot of other
things, but I just hope you can
see how one person among others
can say just how the UMW

could say how they could
not make it without them.

Yours Truly
Bessie Roberts
