Honorable Chapman

I Charles Harris am writing in Concern of my health
Care, and Pension that was promised to me
and my wife when I Retired from the
Coal Mines where I worked.

We are both in really bad health &
have ^{had} several strokes, & heart problems.
and I am blind now, and Cant do one
thing for myself,

my wife Roberta has a serious lung problem
because of bird droppings, she has to be on
a Machine to make her spit up blood etc
and has spells spitting up serious blood.
and the doctors care all time from this
I take lots of Medicine which is very
expensive,

She also has had bad problems from deterioration
of the bones, & spine

She also has stomach Problems, & Pulmonary Atrial
The both are on 28 different medicines
a day, which is very expensive, and we
couldn't afford to buy them without
Insurance,

at our age we would be on a Risk Plan
insurance, if we could even get insurance
which we are doubtful of. And if so, we
couldn't afford to pay the price for it

So! we are praying that our benefits
from Mining, will not get cut &
and we can continue to get insurance
Pension which was promised to us at
Retirement time

Thanks so Much for listening to what
we are experiencing. God Bless
you
