Honorable Shelly Chapman,  
I, James Earl Tompkins and my  
wife feel that the bankruptcy  
hearing should be moved to Charleston  
W. Va. This is where most of the  
people that this will affect live  
and work.

I worked for the U. M. W. A  
coal mines for over 30 years. I  
am retired and disabled now and I  
really need to be able to keep my  
pension and medical ins.

Thank you,  
James Earl Tompkins
