

DEAR Honorable Judge

I'm writing to encourage you to please send the hearing on Patriot coal back to Charleston W.V. I'm 61 years old I was forced out of the coal mines when I was 49 years old.

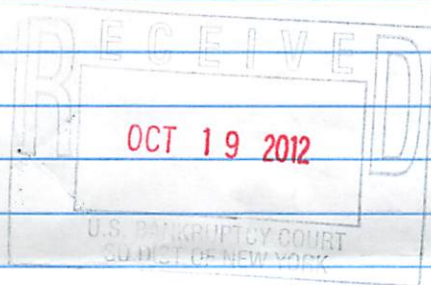

I was laid off and could not find a job my wife divorced me in 1999 about a year later I got my twelve year old son and had to take my early retirement of \$705.00 a month it was hard to make ends meet.

I received my health card when I turned 55. You don't know how hard it is here in W.V.

Now Patriot wants to take everything back. I did not work for them, I worked for Hobet mining & Arch Coal. they signed a contract now they're trying to cheat us with smart lawyers and trickery please help us. My God bear on your heart to help us. In Jesus Name.

Thank you
