Your Honor

My name is MARK Snow. I am a dis. Minner
I worked 28 yrs. IN The UMUA 27 of those yrs,
was with EALL & Peabody. I was injured in a
minning accident in Feb. of 2002. I was never
abel to return to work. It's hard to believe
my work record but I work 28 yrs. without a
unexcused absence. I missed 1 day being sick in
28 yrs. I believed in taking care of my job.
If I lose my med. Card. My wife + I will be
without Ins. I get Medicare but my wife will have
nothing. Neither one of us have real good health
I am a diabetic with other problems. She also has
med. problems. There is no way we could afford
our meds. or Dr. bills. I am sure if you was in
our shoes, you ~~would~~ would do what ever you could
to keep your Ins. Any one can understand what
Peabody was doing when they developed Pat. Coal.
CEO. Ben Hotefiek is my son in laws uncle. Ben
is a very good person as a man, but as the CEO
I do not approve of what he is trying to do.
Please take these thing into Consideration when
making your desion.
