Honorable Judge H. A. Surratt,

I'm writing you on behalf of my Union brothers and myself.

It has been brought to our attention that we are in danger of losing our health care and pension from Peabody Coal Co.

I worked in the mines 26 1/2 yrs. During that time I was told that my pension and medical was secure. Some miners have Black Lung and other illnesses that require alot of medical care. Our pension something we worked for and deserve.

We are asking you to consider our side and how this would do us great hardship.

(over)

Coal mining is a very
dangerous job, many men
have died making coal

Thank you!
