al Card and Pension
are taken away; at our age ... wife
Eighty - I am working on 85. IT would be
devastating for us.

I have worked in the mud rain and
freezing weather - stayed over to help
the company for fifteen years.

We both have Pasemakers - I also have
a defibrillator. We both are on heart med's
high blood pressure - diabetes - I have gout
she's on thyroid med's.

At our age we cannot afford the
higher cost of insurance we would have to
pay. Also the high cost of medicines.

I feel it's unfair to take
what was promised to us, and what I
have worked for, please read and consider

Yours William C. Fulkeron

A personal note ...

I have worked for ARCH
COAL AND PATROT COAL
FOR FIFTEEN YEARS
