EASTERN DISTRICT OF MISSOURI

Honorable Kathy A. Surratt - States
I guess you have read alot of letters About
Insurance problems. We All think we have
problem's but there is A God in Heaven We can
take our problems to. I work in 3 mines I was
suppose to Retair from. I work at 4 altogether
2 of the mines sold coal to T.U.A & P.S.I. both are
still going.

I went to work when I was sick not because
I want to. But I had 3 children then I had to
work. Because If a man does not work & take
care of his family He is not much of a man.

If I didnot have the Insurance that I had
where would I be now.

I had a little girl of the age of 9 yrs
Diagnosis with ALL Leukemia we were in
some of the Finest hospital in the Country.
We were never taen down for ~~nothing~~ nothing
We lost her Feb 16 2005 I say we the whole
family wept for aday then we rejoice because
God Healed her.

I had to drive 116 miles one way to one of the
mines I work at. I could of have found work
close to home but I did this for the
benelits Medical Insuranc. I Know it's
Good that why I did this
