To: The Hon. Kathy Suratt-States

I am the 84 year old widow of a retired UMW member. My income consists of Social Security and a small UMW pension. The pension, though much appreciated, is not the important benefit; the health-care is! If all the retirees and widows were to lose that, life could become very difficult. I know it would dig deeply into my income to buy a supplement to Medicare.

It is my hope and prayer that you will take all these vulnerable people into consideration when you make your ruling.

Respectfully,

Faye Flint
