Dear Honorable Kathy,

I wanted to tell you my story. My husband, Roger Indicatt, worked in the coal mines in W.Va. He said "he worked there about 30 years or more." Since we met in 2000 he passed away in 2010. Since he passed I've had to have a pace maker put in, I have diabetes, I have a spur in my right heel, I've had ulcers and now I have cancer. So you see, if I lose my insurance, I just don't see how I can pay for medicine or hospitals or drs.

I beg you to please help us.

Sincerely,
Dwight Indicatt
