U.S. BANKRUPTCY COURT
EASTERN DISTRICT OF MISSOURI

To: The Honorable Kathy A. Suratt ~~Stiles~~,

In the effort by Patriot Coal Co. to shed me and my family members, of all health care. Health care we have had for the last 45 years.

I worked for Peabody Coal Com. for 34 years. Then in 2000 Peabody Coal Mine closed down and I retired six months later. Peabody took care of the insurance, until they formed Patriot Coal and sold out my health care. Then in 2006 Patriot Coal Co. took care of our insurance, but now Patriot Coal is going into bankruptcy and don't want to pay for our ins. So how can a 75 year old afford insurance for himself and family.

In the 34 years I worked for Peabody Coal, we had to strike and miss work for every UMW contract. We worked for less money on the hour, so we could have better benefits and health care insurance. Now after all the years of fighting and strikes, we still have to fight

for what we thought we had
all ready won.

I want to thank you for
taking the time to read my letter,
and for everything you will be
doing for our cause

Thank You!
