U.S. BANKRUPTCY COURT
EASTERN DISTRICT OF MISSOURI

To The Honorable Kathy A. Sullivan

I am a retiree from Patriot Coal in W.V. A disabled Retiree.

I am 71 years old and on oxygen almost 24/7 every day. I CAN NOT walk 25 ft and I get out of breath even with my oxygen on. I have had a heart attack and have 1 stint in my heart. I am on lots of medication.

I have to wear a hearing aid due to a hole in my eardrum from working in the face of the mines for over 20 some years, I was a roof bolter, shuttle car operator and miner helper.

I need my oxygen to live. I need my income, miners pension and workers comp to live. I don't want to die. Unless it is God's will, without my hospital card & income, I will die.

Please don't let Patriot Coal take away all I have sacrificed just to

Keep me ALIVE.

THANK YOU AND
MAY GOD BLESS YOU
