

Your Honor

I never worked for Patriot Coal a day of my life but I did give Peabody Coal 27 1/2 of the best years of my life. They signed a contract with us that for a small pension and health care for as long as we lived and now they are trying to get out of their contract obligation.

I am enclosing a copy of my health cards the one from Peabody Coal I have had since I retired in 1998 the one from Patriot Coal that I got last year. The numbers on both cards are the same. Thank you for this opportunity to speak my piece.
