U.S. BANKRUPTCY COURT
EASTERN DISTRICT OF MISSOURI

2-26-13

Dear Judge Surratt - States:

I am writing to ask for your help with saving our retirement benefits with Patriot Coal. I was a coal miner for more than 23 years and earned my pension benefits including health care that I now desperately need. My joints have suffered from the daily wear & tear of a cold, damp, work area with uneven footing.

I need my medical benefits. I need my pension benefits.

What good are promises if they are not kept? What has happened that allows this in our society.

Please help us. We were never Patriot employees. We were PEABODY and Proud of it. Peabody legal contrived Patriot to get rid of a liability - US retired employees.

Sincerely,

Peter Dappert, 7711 Truman Rd. Coulterville IL 62237
