

To the Honorable Judge
Kathy B. Swatt States
Re- Case No. 12-51502

RECEIVED & FILED
MAR 04 2013
U.S. BANKRUPTCY COURT
EASTERN DISTRICT OF MISSOURI

My name is Marsha Simpson
my husbands name is Larry Simpson
He worked in the coal mines for
27 yrs. in the process of his job.
He injured his back twice. He
has had two back surgeries and
a nerve break down. He has been
declared disabled to work. He is
drawing S.S. Disability.

It has been hard on him, not
being able to work.

We also farmed, and he also had
to give that up.

Peabody and Patriot promised
him insurance for life, now they
want to withdraw that promise

We cannot afford our medications
without the insurance they promised

I am sending a list of our medications and the cost of it without insurance,

Please don't let them do this to us or the other miners, who are in worse shape than we are.

Coal mining is a dangerous job, and they should not be allowed to break their promise.

I myself have numerous health problems, as you will see by all the medications that I have to take daily, diabetes, my body makes too much blood, so that takes chemo and blood thinners to control take.

I sincerely beg you to stop Deakay and Patriot.

Sincerely
Marsha Simpson
