

Judge Kathy,

I pray that God will lead you to make the right decision in the bankruptcy case number 12-51502, concerning Patriot Coal.

I am, Mary L Fletcher, almost 85 years old, a surviving spouse of James R Fletcher, Sr. who worked for Eastern Associated Coal, for almost 36 years, having to retire because of Black Lung.

I feel it's so unfair that these men who made this company so safe and profitable could be left without health care all these years.

This affects not only the men, but also their families.

My husband, father-in-law, two brothers, my son who is still employed with Eastern Coal, all worked for this company.

I hope and pray you will have the wisdom and courage to make the right decision.

Respectfully yours,

Mary L Fletcher
