Re: Case No. 12-51502

Judge Surratt-States:

I am writing you as a concerned citizen of Muhlenberg County. I feel that it would be a great blow to our county, as well as our retired miners if they lost their pension/retirement benefits in the Patriot Coal bankruptcy. Muhlenberg County has a rich tradition of coal mining and especially in union coal mining. Not only would the retired coal miners suffer but the local economy would also be affected by the fact that so many retired miners could lose their income.

I thank you so much for your time and consideration in this matter. I wish you the very best.

Sincerely,
