

To your Honorable Judge

My name is CHARLES E. CRAIG and I am a Retired Coal Miner. I worked for Patriot Coal Company for 36 years. Until I had some heart trouble in 2010 because of that and a bad lower back from years of hard work in the mines I decided to retire January of 2011, not knowing what is going to happen with my health care and pension. Myself like so many others depend on this health care and pension benefits that was promised to us when we had to retire (from health issues.) So if you can your honor look at this issue from our point of view we deserve our health care and our pensions, that we worked so hard for many years to have and to keep.

So Thank you for reading my letter and God Bless

Charles E Craig
