

March 15-2013  
Dingess, W. VA-25671

Dear Madam,

I'm writing to you in regard to the bankruptcy of Patriot Coal. My husband Phillip Wellman and myself may his wife and his daughter Bobbie depend on his check and his medicare benefits as well as doctors benefits.

If they are cut off we will have to rely on food or buy medicine. We draw some social security but not enough to cover medicine. Anything you can do will be gratefully appreciated. Thank you very much.
