U.S. BANKRUPTCY COURT  
EASTERN DISTRICT OF MISSOURI

Dear Judge Thomas F. Engleton  
I am writing this letter in  
regarding the Patriot Coal law suit. I  
think it is a shame and a disgrace in  
what they are trying to do to the retirees  
and their spouses.

I am speaking for my dead husband  
as well as myself. My husband work on  
a strip mine for over 23 years, he work  
thinking that he and I would always be  
took care of until we died.

My husband died last May of a  
heart disease, so I am left alone to  
take care of myself. We had no children,  
that we could rely on.

Judge Engleton, if you rule in  
favorable of Patriot Coal, I will have  
to make a choice between buying my  
medicine or buying something to.

You see Judge Engleton, I also  
have major health problems to, I am  
a diabetic, I have a total knee replacement  
on one knee and need the other one done,  
I have ~~two~~ kidney failure plus some  
more major problems.

I have also work 37 year's of my  
63 year's of life. So Judge Engleton, if  
you take my health care away from me

and many more people like me.  
We will be homeless and sick and  
left to die, and that what my husband  
had work so hard for. So please  
Judge Engleton think circutansly  
hard before you make a decision  
on this matter.

Thank You  
Connie Justice
