

Honorable Kathy A. Surratt - States

I'm writing this letter in concern about our promise of a future with full benefits (Pension & Health Care). I worked for Peabody Coal Co. for over 20 yrs. And now they are avoiding their responsibilities to their retirees, by forming Patriot Coal Co. I never worked for Patriot Coal Co.

We all have put out faith in a promise of a future, with health ins. and a pension.

Peabody is not standing behind their word.

My hope as you make a decision, it will be a right one. We are all real people striving to make ends meet each and every day that the Lord gives us. We've worked many long and hard hours for Peabody (not Patriot). Help us to help one another in this battle. May God lead you and may the Lord guide & strengthen the UMW.

Sincerely
Anna Johnson
