EASTERN DISTRICT OF MISSOURI

Attn: Honorable Kathy A. Surratt
Re: Case # 12-51502

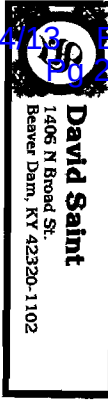

I worked for Peabody Coal Company (never for Patriot) for 26 years, sometimes working double shifts, many overtime hours, weekends and holidays — to keep the job going. I was laid off in 1988 due to mine closing and had to take early retirement to "lock-in" a "guaranteed" pension and health benefits.

I am now 76 years old and suffered a heart attack in July 2012 while my wife is 74 yrs. and we both depend on my health benefits, not to mention my monthly pension, which is minimal.

We have been blessed to have our retirement benefits thus far and pray that you understand our concerns and consider our welfare.

{ It is my belief that Peabody's intentions were to shun their responsibility with the Patriot sham!

Thank You,
Gerald D. Saint
