RE: Case #12-51502

I worked for Peabody Coal Company for over twenty seven (27) years. When I retired, I was promised a pension and health benefits for the rest of my life, from Peabody Coal. Peabody has since formed Patriot Coal Company in an effort to elude that promise.

I am asking you to please consider the case for the retirees so that we may continue to receive those benefits to which we are entitled for our years of service and loyalty to Peabody Coal Company.

Thank you.

Respectfully yours,

*Gary Jackson*
