

Dear Honorable Kathy A. Surratt:

I worked for Reabody Coal Co. for over 20 years. Reabody Coal Co. promised me a pension and health benefits for the rest of my life. Reabody formed Patriot Coal Co. in an effort to elude that promise. Please help us in our fight to keep what's rightfully ours. I've had a Ventricular Assist Device (VAD) implanted to pump my heart. I'm also on Heart Transplant List. As of today, I only paid \$78.00 for everything and it cost over one million dollars, thanks to God, our insurance & medicare. We all need your help very much.

Thank you,
Kenny Smith
