Your Honor, R.E. Case no 12-51502

Please help us. My husband and my 3 sons worked in the coal mines for a total of more than 90 years, believing that when they retired, they would receive a small pension. More important they would retain their medical and prescription cards. This was always a promise from Peabody Coal and from Patriot Coal. Now they are wanting to renege on that promise.

Your Honor, what you decide in this case will not only affect the mining families, but the thousands of people in the health industry, the far reaching effects will be unthinkable.

I'm hoping and praying that you will do the right thing and tell Peabody & Patriot that they can't do this to us. Yours Truly
Julia Knight
