U.S. BANKRUPTCY COURT
EASTERN DISTRICT OF MISSOURI

Your Honor

I am Roger Carter from Hartford Kentucky. I am writing about the Patriot Coal Bankrupt Case.

I worked 33 years for Peabody coal company not a day for Patriot coal.

We gave up higher wages to get a Pension, and Health care when we Retired

Under the last contract that I worked with U.M.W.A. and Peabody the last Signatory company you worked for were Responsible For your Health care when you Retired. Peabody was the only company that I worked and so many others worked for.

I just want to let you know How devastating it will be for My Family and so many others if this is Passed. I hope there is a law out there that can Protect. The Hard working People of this Industry From this SCAM.

Thank you

Roger Carter
