TO THE HONORABLE SHELLEY C. CHAPMAN,
UNITED STATES BANKRUPTCY JUDGE:

The Official Committee of Unsecured Creditors (the "**Creditors' Committee**") of
the above-captioned debtors and debtors-in-possession (collectively, the "**Debtors**")¹ hereby files

¹ In addition to Patriot Coal Corporation, the Debtors are as follows: (1) Affinity Mining Company; (2) Apogee Coal Company, LLC; (3) Appalachia Mine Services, LLC; (4) Beaver Dam Coal Company, LLC; (5) Big Eagle, LLC; (6) Big Eagle Rail, LLC; (7) Black Stallion Coal Company, LLC; (8) Black Walnut Coal Company; (9) Bluegrass Mine Services, LLC; (10) Brook Trout Coal, LLC; (11) Catenary Coal Company, LLC; (12) Central States Coal Reserves of Kentucky, LLC; (13) Charles Coal Company, LLC; (14) Cleaton Coal Company; (15) Coal Clean LLC; (16) Coal Properties, LLC; (17) Coal Reserve Holding Limited Liability Company No. 2; (18) Colony Bay Coal Company; (19) Cook Mountain Coal Company, LLC; (20) Corydon Resources LLC; (21) Coventry Mining Services, LLC; (22) Coyote Coal Company LLC; (23) Cub Branch Coal Company LLC; (24) Dakota LLC; (25) Day LLC; (26) Dixon Mining Company, LLC; (27) Dodge Hill Holding JV, LLC; (28) Dodge Hill Mining Company, LLC; (29) Dodge Hill of Kentucky, LLC; (30) EACC Camps, Inc.; (31) Eastern Associated Coal, LLC; (32) Eastern Coal Company, LLC; (33) Eastern Royalty, LLC; (34) Emerald Processing, LLC; (35) Gateway Eagle Coal Company, LLC; (36) Grand Eagle Mining, LLC; (37) Heritage Coal Company LLC; (38) Highland Mining

this objection (the “**Objection**”) to the above-captioned motions to transfer venue (the “**Venue Motions**”). In support of the Objection, the Committee respectfully states as follows:

PRELIMINARY STATEMENT

1. As the official fiduciary appointed to protect the interests of all unsecured creditors of all Debtors, the Creditors’ Committee has concluded that the Southern District of New York is a more appropriate venue for these cases than the Southern District of West Virginia.

2. The UMWA,² the Sureties (defined below) and the U.S. Trustee (together, the “**Movants**”) have not sustained their heavy burden of demonstrating that the transfer of venue would serve the interests of justice, be more convenient for all creditors, and lead to more economical and efficient administration of the estates. In particular, the UMWA and the Sureties have not proved that their preferred venue, Charleston, West Virginia, is more convenient than

Company, LLC; (39) Hillside Mining Company; (40) Hobet Mining, LLC; (41) Indian Hill Company LLC; (42) Infinity Coal Sales, LLC; (43) Interior Holdings, LLC; (44) IO Coal LLC; (45) Jarrell’s Branch Coal Company; (46) Jupiter Holdings LLC; (47) Kanawha Eagle Coal, LLC; (48) Kanawha River Ventures I, LLC; (49) Kanawha River Ventures II, LLC; (50) Kanawha River Ventures III, LLC; (51) KE Ventures, LLC; (52) Little Creek LLC; (53) Logan Fork Coal Company; (54) Magnum Coal Company LLC; (55) Magnum Coal Sales LLC; (56) Martinka Coal Company, LLC; (57) Midland Trail Energy LLC; (58) Midwest Coal Resources II, LLC; (59) Mountain View Coal Company, LLC; (60) New Trout Coal Holdings II, LLC; (61) Newtown Energy, Inc.; (62) North Page Coal Corp.; (63) Ohio County Coal Company, LLC; (64) Panther LLC; (65) Patriot Beaver Dam Holdings, LLC; (66) Patriot Coal Company, LP; (67) Patriot Coal Sales LLC; (68) Patriot Coal Services LLC; (69) Patriot Leasing Company LLC; (70) Patriot Midwest Holdings, LLC; (71) Patriot Reserve Holdings, LLC; (72) Patriot Trading LLC; (73) PCX Enterprises, Inc.; (74) Pine Ridge Coal Company, LLC; (75) Pond Creek Land Resources, LLC; (76) Pond Fork Processing LLC; (77) Remington Holdings LLC; (78) Remington II LLC; (79) Remington LLC; (80) Rivers Edge Mining, Inc.; (81) Robin Land Company, LLC; (82) Sentry Mining, LLC; (83) Snowberry Land Company; (84) Speed Mining LLC; (85) Sterling Smokeless Coal Company, LLC; (86) TC Sales Company, LLC; (87) The Presidents Energy Company LLC; (88) Thunderhill Coal LLC; (89) Trout Coal Holdings, LLC; (90) Union County Coal Co., LLC; (91) Viper LLC; (92) Weatherby Processing LLC; (93) Wildcat Energy LLC; (94) Wildcat, LLC; (95) Will Scarlet Properties LLC; (96) Winchester LLC; (97) Winifrede Dock Limited Liability Company; and (98) Yankeetown Dock, LLC. The employer tax identification numbers and addresses for each of the Debtors are set forth in the Debtors’ chapter 11 petitions.

² Committee members UMWA and AEP have filed pleadings supporting the Venue Motions. Each Committee member is, of course, free to express its own view on the Venue Motions; the Committee anticipates that one or more other members may express its own views in support of or against the Venue Motions that supplement or differ from those of the Committee. The Committee authorized the filing of this Objection by vote of the requisite majority of Committee members.

New York City. Nor has the U.S. Trustee proven that another venue is more convenient. Accordingly, the Venue Motions should be denied.

I.
VENUE SHOULD NOT BE TRANSFERRED TO
THE SOUTHERN DISTRICT OF WEST VIRGINIA

A. Movants Bear the Heavy Burden of Proving that Transfer of Venue Is Warranted

3. The Movants do not challenge the propriety of venue in the Southern District of New York.³ Instead, they seek an order transferring venue to the Southern District of West Virginia under 28 U.S.C. § 1412, which grants the Court the discretion to order such a transfer “in the interest of justice or for the convenience of the parties.”

4. The party moving for change of venue of a case under chapter 11 bears the burden of proof. See In re Manville Forest Prods., Inc., 896 F.2d 1384, 1390 (2d Cir 1990). In addition, “[t]ransferring venue of a bankruptcy case is not to be taken lightly.” In re Enron Corp., 274 B.R. 327, 342 (Bankr. S.D.N.Y. 2002). Accordingly, “a heavy burden of proof rests on the moving party” to demonstrate that the requirements for transfer have been satisfied. Capmark Fin. Group Inc. v. Goldman Sachs Credit Partners L.P., 11 CIV. 7511, 2012 WL 698134 (S.D.N.Y. Mar. 5, 2012) (quoting Lionel Leisure, Inc. v. Trans Cleveland Warehouses, Inc. (In re Lionel Corp.), 24 B.R. 141, 142 (Bankr. S.D.N.Y. 1982)); Enron Corp., 274 B.R. at 342.

³ Venue appears to be proper in this district. Two of the Debtors, Beaver Dam Holdings, LLC and PCX Enterprises, Inc., are New York corporations. Under 28 U.S.C. § 1408(1), a case is properly venued in a district in which the debtor maintains its “domicile, residence, principal place of business in the United States, or principal assets in the United States” For the remainder of the Debtors, venue is proper in this district because “there is pending a case under title 11 concerning such person’s affiliate” here. 28 U.S.C. § 1408(2). See In re Enron Corp., 274 B.R. 327, 341 (Bankr. S.D.N.Y. 2002) (“[V]enue is proper in any jurisdiction where the debtor maintains a domicile . . . [and, p]ursuant to 28 U.S.C. § 1408(2), venue is also proper for any affiliate that files a bankruptcy petition within a venue where there is already a bankruptcy case pending under § 1408(1)”) (citations omitted).

5. Where the propriety of venue is conceded, as it is here, a debtor's choice of venue is entitled to "great weight," Enron Corp., 274 B.R. at 342, and should not be disturbed "merely [to] shift inconvenience from one party to another." In re Great American Resources, Inc., 85 B.R. 444, 446 (Bankr. N.D. Ohio 1988). Thus, the Debtors are under no obligation to show that New York is the best venue; it is instead the "heavy burden" of the Movants to prove that Charleston is so superior that the Debtors' choice of forum should be overruled.

6. Courts in the Southern District of New York analyze certain "convenience of the parties" and "interest of justice" factors to determine whether to exercise their discretion to transfer venue under 28 U.S.C. § 1412. The Debtors have submitted comprehensive papers demonstrating that the Movants have failed to meet their "heavy burden" of demonstrating that either factor militates in favor of a transfer of venue in these cases. In the interest of efficiency and economy, the Committee will not repeat each of those arguments here. Rather, the Committee will separately address the factor most important to general unsecured creditors: the relative convenience of each proposed forum to unsecured creditors generally. Based on the facts shown below, the Movants cannot show that Charleston is more convenient than New York City.

B. Accessibility of the Forum

7. The UMWA asserts that Charleston is more convenient for the workers and retirees it represents – a goal that is praiseworthy, but should not control the venue analysis. The UMWA is the exclusive bargaining representative of its members and retirees. 29 U.S.C. § 159(a). As a result, the Debtors cannot properly negotiate with individual members. Morio v. North Am. Soccer League, 501 F. Supp. 633, 638-39 (S.D.N.Y. 1980) aff'd, 632 F.2d 217 (2d Cir. 1980) (citing N.L.R.B. v. Katz, 369 U.S. 736, 743, 82 S. Ct. 1107, 1111, 8 L. Ed. 2d

230, 236 (1962)). Individual UMWA workers and retirees are very unlikely to play a major role in the administration of these cases. Rather, the UMWA, which is located in a suburb of Washington, D.C., will appear on their behalf. Certainly, the UMWA, and not its individual active members, will respond to any motion to terminate or modify its collective bargaining agreement under Section 1113. Similarly, the UMWA will represent now-retired members in any proceeding to terminate or modify retiree medical benefits under Section 1114. As a result, the convenience of the two forums to the UMWA is far more relevant to the venue analysis than the asserted location of its individual active and retired members.⁴

8. Nor should the convenience of the UMWA be decisive. Less than half of the Debtors' workers are represented by the UMWA. See Declaration of Mark N. Schroeder pursuant to Local Bankruptcy Rule 1007-2, dated July 9, 2012, at ¶ 15 [Dkt. No. 4]. Most of the Debtors, including those owning some of the most valuable coal reserves and most profitable operations in the Debtors' corporate family, do not employ workers represented by the UMWA and have retirees that were never represented by the UMWA. The convenience of the UMWA, UMWA members or UMWA retirees plainly should not determine proper venue of Debtors with whom they do not have, and have never had, a relationship. Nor is it clear that allowing one

⁴ While the UMWA emphasizes that many active employees and retirees are located in West Virginia, it is only potential witnesses, not line employees or retirees who are relevant for the venue analysis. See Enron, 284 B.R. at 392 (“[T]he availability of witnesses is a consideration which focuses on the debtor’s employees who must appear in court, not with the employees in the production line”). The Movants have offered no evidence that a substantial number of employees or retirees in West Virginia would be called as witnesses, even in connection with a litigation under section 1113 or 1114 of the Bankruptcy Code.

Of course, there are additional accommodations available, such as video or telephonic participation or simultaneous broadcasting of hearings that can alleviate concerns about expense or inconvenience. See Enron, 274 B.R. at 347 (“Subject to approval, appearances required by officers or other management can be addressed by telephonic or video conferencing capabilities”). The Court has already implemented this protocol in these cases.

creditor with claims against a subset of debtors to compel a transfer of venue of all debtors in a jointly administered proceeding would serve “the interests of justice.”⁵

9. By contrast, the Committee represents all unsecured creditors of all Debtors. For the unsecured creditor body as a whole, New York is clearly more convenient than Charleston.

10. Consider the UMWA itself. It is based in a suburb of Washington, D.C. As more fully set forth below, New York is more convenient to Washington D.C. than Charleston in every way – by train, plane or automobile.⁶ Indeed, it is only the UMWA’s understandable desire to accommodate its members that sustains the bona fides of its Venue Motion. The same could not be said of another creditor who seeks to transfer these cases to a venue manifestly less convenient to itself, including, for example, certain Sureties.

11. The Sureties (the “Sureties”) also have not even claimed that Charleston is more convenient than New York City, and their motion offers no facts to support such a conclusion. The Sureties’ Motion does not even assert where the Sureties are located. In fact, these entities do not appear to be located in West Virginia, but instead are spread around the United States:

- Argonaut Insurance Company is located in San Antonio, Texas;
- Indemnity National Insurance Company is located in Knoxville, Tennessee;
- U.S. Specialty Insurance is located in Houston, Texas;
- Westchester Fire Insurance Company is located in Philadelphia, Pennsylvania.

⁵ There are certain large creditors who appear to have claims against almost all Debtors, including Wilmington Trust Company as indenture trustee for the Debtors’ \$250 million principal amount of Senior Notes, located in Wilmington, and the United Mine Workers of America 1974 Pension Fund, located in Washington, D.C. As shown below, New York City is a far more convenient venue for both Wilmington and Washington, D.C.

⁶ Exhibits to the Declaration of Jordan Kaye (“Kaye Decl.”) contain detailed information about plane, train, bus and driving times and fares. All fares quoted are refundable fares.

See Kaye Decl., Exs. 1-4. New York is more convenient to most of these locations than is Charleston. See Kaye Decl., Exs. 5-12.

12. When considering the “proximity of the creditors,” courts also consider the amount of the claims held by creditors, with emphasis on the interests of the largest creditors. In re Commonwealth Oil Ref. Co., 596 F.2d 1239, 1248 (5th Cir. 1979) (“CORCO”); In re Enron Corp., 274 B.R. at 345 (“In considering the proximity of creditors, this Court must examine both the number of creditors as well as the amount of claims held by such creditors.”); In re Suzanne de Lyon, Inc., 125 B.R. 863, 868 (Bankr. S.D.N.Y. 1991) (“As the creditors with the most to lose from this bankruptcy, they are the true interested parties in this case and their opinion as to what would be most convenient for them carries great weight. . .”).

13. Here, Charleston is far less convenient than New York for the holders of the great majority in amount of unsecured claims. The indenture trustees are the legal claimants on behalf of \$450 million in unsecured bonds – or over 88% of the approximately \$507 million of liquidated unsecured claims reported by the Debtors. [Dkt. No. 1]. Wilmington Trust, which is indenture trustee for \$250 million of the 8.25% senior notes, is located in Wilmington, Delaware. The trust department of US Bank National Association (“US Bank”), which is indenture trustee for \$200 million in principal amount of the Debtors’ 3.25% convertible senior notes, is headquartered in Minnesota; the US Bank officer in charge of the matter is located in Boston, Massachusetts. Id. Charleston is not convenient to Wilmington, Minnesota or Boston. By contrast, the ten largest West Virginia creditors cited by Movants hold a total of only \$9.6 million of liquidated claims – a small fraction of the claims in these cases. [Dkt. No. 1]. It thus appears that well over 90% of liquidated claims, and perhaps over 95% of all liquidated and

potential claims,⁷ are held or represented by institutions for which New York is far more convenient than Charleston.

14. The Committee itself consists of seven members selected by the United States Trustee as representative of the entire creditor body. The relative convenience of venues to the Committee members is therefore highly relevant to determining the convenience of venues generally. The chart below shows that travel to Charleston is less convenient and more expensive than travel to New York for every member of the Creditors' Committee.⁸

Committee Member	Departure City	Travel to New York, NY	Travel to Charleston, WV
1974 Pension Fund	Washington, D.C.	12+ direct flights; \$613+ round-trip (1.25 hours)	4 direct flights; \$1163 round-trip (1.5 hours)
UMWA	Washington, D.C.	12+ direct flights; \$613+ round-trip (1.25 hours)	4 direct flights; \$1163 round-trip (1.5 hours)
Cecil Walker Machinery	Charlotte, NC	12 direct flights; \$714+ round-trip (2 hours)	3 direct flights; \$1144+ round-trip (1.25 hours)
Gulf Coast Capital Partners, LLC	Fort Myers, FL	4 direct flights; \$709+ r/t (2.5 hours)	No direct flights; \$1296+ round-trip (4.5 hours)
American Electric Power	Columbus, OH	5 direct flights; \$1037+ round-trip (1.75 hours)	No direct flights; \$2151+ round-trip with one stop (3.75 hours)
US Bank	Boston, MA	12+ direct flights; \$529+ round-trip (1.25 hours)	No direct flights; \$1266+ round-trip with one stop (4.5 hours)
Wilmington Trust Company	Wilmington, DE	n/a ⁹	No direct flights; \$1847+ round-trip from PHL (5 hours)

15. The reality is that New York City is a major national and international transportation hub and easily accessible, whereas Charleston, West Virginia, is not. New York is served by three international airports, as well as many major railroads and highways. By way of

⁷ The Debtors report their retiree medical benefit liabilities at approximately \$1.5 billion. If the Debtors' multi-employer pension plan is terminated, pension claims will be substantial. These claims will be asserted principally by the UMWA and the UMWA 1974 Fund, both of which institutions are located in or around Washington, D.C. As noted above, New York is far more convenient to Washington, D.C. than is Charleston.

⁸ The source of the data set forth in the chart is set forth in the Kaye Declaration, which also sets forth relative driving distances and the availability of bus and train transportation, where feasible. Exs. 6, 13-26. The Committee will ask that such data be admitted as evidence in the hearing.

⁹ Car, bus and train transportation from Wilmington to New York City is frequent. See Kaye Decl., Ex. 5.

example, in 2011, 433,729 scheduled flights departed from New York City area airports. Id., Ex. 27. Charleston saw only 9,056. Id., Ex. 19. There are direct flights to New York City from some 99 cities in the United States. See 2011 Airport Traffic Report, The Port Authority of NY & NJ (Apr. 2, 2012), 20-21, <http://www.panynj.gov/airports/pdf-traffic/ATR2011.pdf>. New York City is also readily accessible by rail to creditors located in eastern cities such as Washington, D.C., Wilmington, Philadelphia and Boston. Ex. 5. Charleston, on the other hand, is a nine-hour train ride from Washington, D.C., and an even longer trip from other major cities. Ex. 15.

II.
THE U.S. TRUSTEE'S MOTION TO
TRANSFER VENUE SHOULD BE DENIED

16. The U.S. Trustee argues that “the interests of justice” require transfer of venue because the Debtors used the pre-filing New York incorporation of two subsidiaries as the basis for venue in the Southern District of New York. The Committee, however, supports the Debtors’ arguments that “the interests of justice” must be considered in light of the interests of creditors. If, as shown above, New York City is far more convenient to creditors than Charleston, it does not serve “the interests of justice” to transfer venue to the less convenient forum. See In re Enron Corp., 274 B.R. at 343 (proper approach for “interest of justice” analysis involves consideration of efficient case administration and “proximity of creditors”) (citing Matter of Commonwealth Oil Refining Co., Inc., 596 F.2d 1239, 1248 (5th Cir. 1979)).

CONCLUSION

17. The Venue Motions should be denied. The Movants do not contest that venue is proper in the Southern District of New York and have failed to carry the burden of demonstrating that the Southern District of West Virginia is more convenient – because, in fact,

it is not – or that such a transfer serves the interests of justice. Allowing these cases to proceed in New York would be in the best interests of the estates and their creditors.

When considering the company's complaint index and ratio, be sure to review the company history information displayed below for recent acquisitions, mergers, or other events that may affect the figures displayed for this company.

Justified Complaints: the number of justified complaints closed against the company for the line of insurance and year indicated. A complaint is justified if there is an apparent violation of a policy provision, contract provision, rule, or statute, or there is a valid concern that a prudent layperson would regard as a practice or service that is below customary business or medical practice. The number of complaints that are coded unjustified or frivolous is not displayed.

Complaint Ratios: the ratio, expressed as a percentage, is the number of closed justified complaints divided by the number of policies the company had in force for the line of insurance and year indicated.

Complaint Index: indicates how a company's ratio of the number of complaints to the number of policyholders compares to the average for all insurers. The index is calculated by dividing the company's percentage of complaints for a specific line of insurance by the company's percentage of the policies in force for the same line of insurance. The average index is 1.00. A number less than 1 indicates fewer complaints than average; a number greater than 1 indicates more complaints than average. For the most recent completed year, a given insurer's index may change over time, as policy count data is received by TDI. This will affect each insurer's percentage of the total.

Complaints against an insurance company are not part of the complaint tally above if the insurance company served only as a Third Party Administrator (TPA), a company hired simply to administer the paperwork of a health plan. Instead, they are included in the complaint record of the insurance company or HMO that hired the TPA. If a bonafide self-insured benefit plan hired the TPA, no complaint numbers are recorded as a part of the company/TPA's profile. Neither are profiles
