Blackstone Advisory Partners L.P. ("Blackstone"), financial advisor to the above captioned debtors and debtors-in-possession (the "Debtors"), submits for review its (cumulative) monthly fee statement (the "Statement") of fees and out-of-pocket expenses for the period of February 1, 2013 through June 30, 2013 (the "Fourth Compensation Period"), in accordance with the Procedures Order (as hereinafter defined), U.S. Trustee Guidelines, and the local rules and orders of the U.S. Bankruptcy Court for the Eastern District of Missouri, Eastern Division. The Debtors are operating their businesses and managing their property as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

- 2. On July 19, 2012, the Debtors applied to this Court for an order [Docket No. 132] authorizing the retention and employment of Blackstone *nunc pro tunc* to the Petition Date.
- 3. On August 2, 2012, this Court entered an order (the "Procedures Order") [Docket No. 262] establishing procedures for interim compensation and reimbursement of expenses for professionals.
- 4. IV. Out-Of-Pocket Expenses

- 9. Out-of-pocket expenses incurred by Blackstone are charged to a client if the expenses are incurred for the client or are otherwise necessary in connection with services rendered for such particular client. Blackstone does not factor general overhead expenses into disbursements charged to its clients in connection with chapter 11 cases. Blackstone has followed its general internal policies with respect to out-of-pocket expenses billed to Debtors as set forth below, with any exceptions specifically explained:
 - (a) All cross-country airfare charges are based upon coach class rates.
 - (b) With respect to local travel, Blackstone's general policy enables employees to travel by taxi or, in certain circumstances private car service, to and from meetings while rendering services to a client on a client related matter, for which the client is charged. Further, and primarily for safety reasons, employees are permitted to charge to a client the cost of transportation home if an employee is required to work past 9:00 p.m. on client specific matters.
 - (c) Blackstone bills outgoing long-distance facsimile charges at a rate of \$1.25 per page. Blackstone does not bill local or incoming facsimile charges to clients.
 - (d) Blackstone's general policy permits its professionals to charge inoffice dinner meals to a client after 8:00 p.m. or 3 hours beyond their regularly scheduled workday if an employee is required to provide services to the client during such dinnertime, and to charge in-office meals on the weekend if an employee is required to provide services to a client on the weekend.
 - (e) The Document Production category of expenses includes charges from outside service companies that provide, for a fee, high volume photocopying services on an expedited basis to Blackstone, and charges for internal photocopying services provided by Blackstone.

Blackstone bills internal Document Production charges at the rate of \$0.10 per page for black and white photocopies, and \$0.25 per page for color photocopies. <u>However</u>, and for purposes of these cases, Blackstone will bill the Debtors at a rate of \$0.20 per page for color photocopies.

- (f) The External Research category of expenses includes charges from outside computer/electronic service companies that supply, for a fee, research and/or financial documents to Blackstone. The services provided by these companies primarily consist of the retrieval of financial documents from regulatory agencies and/or the retrieval of research that would not otherwise be available to Blackstone. The Internal Research category of expenses are the charges for time spent by Blackstone research staff in operating the computer/electronic terminals related to these computer/electronic service companies.
- (g) The Publishing Services category of expenses includes charges for the production of text-based publications such as research reports and presentations, and printing and binding services.
- 10. Invoices detailing the fees earned and out-of-pocket expenses recognized by Blackstone during the Fourth Compensation Period are attached hereto as Appendix A.
- 11. The amount of fees and out-of-pocket expenses sought in this Statement and Blackstone's compensation practices are consistent with market practices both in and out of a bankruptcy context. Blackstone has never billed its clients based on the number of hours expended by its professionals and Blackstone's professionals generally do not maintain detailed time records of the work performed by its professionals on behalf of its clients. Accordingly, Blackstone does not have hourly rates for its professionals. Blackstone will, however, maintain time records in one-half hour increments for purposes of this case. Time records of the 2,430.5 hours expended by Blackstone professionals in providing financial advisory services to the Debtors during the Fourth Compensation Period are provided in Appendix B by professional.
