⁵ The Debtors are the entities listed on Schedule 1 attached hereto. The employer tax identification numbers and addresses for each of the Debtors are set forth in the Debtors’ chapter 11 petitions.

Period”), and for reimbursement of its actual and necessary expenses incurred during the Compensation Period, respectfully represents as follows:

BACKGROUND

1. On July 9, 2012 (the “Petition Date”), the Debtors filed voluntary petitions for Chapter 11 Relief. [See ECF No. 1]. Debtors’ cases are being jointly administered by order of this Court. [ECF No. 30]. Pursuant to the December 12, 2012, Order Transferring Venue, the Debtors’ cases were transferred from the United States Bankruptcy Court for the Southern District of New York to the United States Bankruptcy Court for the Eastern District of Missouri. [ECF No. 1789].

2. In the years preceding the Debtors’ bankruptcy, Jackson Kelly routinely and continually provided substantial professional legal services to the Debtors relating to their coal mining activities in West Virginia and Kentucky. At the time the Debtors first sought bankruptcy protection, Jackson Kelly had nearly 300 open and active matters for the Debtors covering many areas of law including: mine safety and health, environmental regulation and compliance, federal black lung, legislative lobbying services, representation in commercial transactions, and other general litigation.

3. The Debtors have retained Jackson Kelly – with this Court’s authorization by its September 10, 2012, Order Authorizing the Employment and Retention of Jackson Kelly PLLC as Special Counsel for the Debtors *Nunc Pro Tunc* to the Petition Date, [ECF No. 540] (the “Jackson Kelly Employment Order”) – *nunc pro tunc* from the Petition Date to continue to render professional services in connection with (collectively, the “Authorized Representation”):

(a) Environmental matters relating to the Debtors’ coal leases, coal property, mines and other properties and installations;

- (b) Mine safety and health matters, including alleged violations of the Mine Safety and Health Act;
- (c) The defense of Federal Black Lung cases;
- (d) The defense of West Virginia deliberate intent litigation;
- (e) Litigation on behalf of one or more of the Debtors as a party plaintiff;
- (f) Litigation on behalf of one or more of the Debtors as a party defendant;
- (g) Local real estate and commercial transactions, as needed from time to time, which may not duplicate services provided by the Debtors' other counsel;
- (h) Local legislative and lobbying services; and
- (i) Representation of one or more of the Debtors in arbitration issues.

Pursuant to the Court's December 5, 2012, Order Authorizing Payment for Certain Services on a Fixed Fee Basis to Jackson Kelly PLLC, [ECF No. 1677] (the "Fixed Fee Order"), the Jackson Kelly Employment Order was amended so as to permit fixed fee billing at a rate of \$2,500 per month for local legislative and lobbying services *nunc pro tunc* from the Petition Date.

4. In providing Authorized Representation services to the Debtors, Jackson Kelly has striven to minimize costs and prevent duplication of services whenever possible.

5. On July 18, 2012, the Office of the United States Trustee for the Southern District of New York (the "U.S. Trustee")⁶ appointed the Creditors' Committee pursuant to sections 1102(a) and 1102(b) of the Bankruptcy Code. No trustee or examiner has been appointed in the Debtors' chapter 11 cases.

⁶ References to the "U.S. Trustee" herein refer to the United States Trustee for the Southern District of New York and/or the United States Trustee for the Eastern District of Missouri where applicable.

JURISDICTION

6. This Court has subject matter jurisdiction to consider and determine this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

**SUMMARY OF REQUESTED PROFESSIONAL COMPENSATION
AND REIMBURSEMENT OF EXPENSES**

7. This Application has been prepared in accordance with (a) the Local Rules of Bankruptcy Procedure and accompanying Procedures Manual for the United States Bankruptcy Court for the Eastern District of Missouri (the “Local Guidelines”), (b) the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 adopted on January 30, 1996 (the “UST Guidelines”) and (c) the Order to Establish Procedures for Interim Monthly Compensation and Reimbursement of Expenses of Professionals [ECF No. 262] (the “Interim Compensation Order”) and, collectively with the Local Guidelines and the UST Guidelines, the “Guidelines”).

8. Jackson Kelly previously requested compensation from the Court for professional services and reimbursement of expenses by its First Interim Application for Allowance of Compensation and Reimbursement of Expenses, [ECF No. 1592] (the “First Fee Application”). On December 19, 2012, the Court granted Jackson Kelly’s First Fee Application, [ECF No. 1788], and Jackson Kelly received payment of \$239,448.98 for professional fees and \$21,919.09 in expenses for the time period covered by the First Fee Application.

9. Jackson Kelly’s Second Interim Application for Allowance of Compensation and Reimbursement [ECF No. 3649] (the “Second Fee Application”) was granted on May 23, 2013 [ECF No. 4050], and Jackson Kelly was paid \$312,505.74 for professional fees and

\$28,555.38 for expenses incurred during the time period covered by the Second Fee Application.

10. In accordance with the Interim Compensation Order, Jackson Kelly filed monthly fee statements for fees and expenses for the months of February 2013 [ECF No. 3345], March 2013 [ECF No. 3741], April 2013 [ECF No. 4031], May 2013 [ECF No. 4173], June 2013 [ECF No. 4338], and July 2013 [ECF No. 4482].

11. This Application seeks full compensation for 2,123.10 hours of professional services rendered to the Debtors during the Compensation Period, in the aggregate amount of \$412,545.70, and for reimbursement of actual, necessary expenses incurred in connection with such services in the aggregate amount of \$34,534.94, totaling \$447,080.64. Pursuant to the Interim Compensation Order, Jackson Kelly has been paid a total of \$300,053.92 to date, comprising \$267,857.60 for professional services and \$32,196.32 for reimbursement of expenses incurred during the months of February 2013 – June, 2013. By the time this application is heard on October 22, 2013, Jackson Kelly expects that, in the ordinary course, it will have also been paid \$62,178.96 in professional fees and \$2,338.62 in expenses for July 2013. Total compensation on the day of hearing is expected to be \$364,571.50. Upon approval of this Application, Jackson Kelly may be paid the remaining \$82,509.14 outstanding, representing the Court-ordered 20% holdback of Jackson Kelly's total fees for the Compensation Period.

12. Except as permitted under the Interim Compensation Order, Jackson Kelly has received no payment and no promises of payment from any source for services rendered or to be rendered in any capacity whatsoever in connection with the matters covered by this Application during the Compensation Period. There is no agreement or understanding between

Jackson Kelly and any other person, other than partners of the firm, for the sharing of compensation to be received for services rendered in these cases.

13. The fees charged by Jackson Kelly for its Authorized Representation of the Debtors are billed in accordance with agreed-upon billing rates and procedures in effect during the Compensation Period. The rates charged by Jackson Kelly for services rendered in connection with these chapter 11 cases do not (and will not) exceed Jackson Kelly's standard rates and charges for services rendered in comparable matters. Further, these fees are reasonable in comparison with the rates charged by comparably skilled practitioners in comparable matters in the regional markets where Jackson Kelly actively practices law.

14. Prior to filing this Application, Jackson Kelly filed monthly fee statements setting forth Jackson Kelly's fees for professional services rendered and expenses incurred February 1, 2013 through July 31, 2013 with the Court; copies of those statements were provided to the Debtors, Debtors' counsel (Davis Polk & Wardwell LLP), the U.S. Trustee, counsel to the Creditors' Committee, and counsel to the Debtors' postpetition lenders.

15. Pursuant to the UST Guidelines, the U.S. Trustee summary section preceding this Application includes a schedule setting forth all Jackson Kelly professionals and paraprofessionals who have performed services in connection with these chapter 11 cases during the Compensation Period. For each Jackson Kelly professional and paraprofessional, these schedules list the individual's name, area of practice, hourly billing rate, aggregate number of hours worked and fees billed, and, where applicable, the year and state in which each professional was first licensed to practice law.

16. Exhibit A is a schedule listing the actual and necessary expenses for which Jackson Kelly seeks reimbursement.

17. Pursuant to the UST Guidelines, Exhibit B is a summary of the number of hours and amounts billed by Jackson Kelly during the Compensation Period, organized by area of law.

18. Jackson Kelly maintains computerized records of the time spent by all Jackson Kelly attorneys and paraprofessionals in connection with its Authorized Representation Debtors.⁷

19. Jackson Kelly reserves the right to request at a later date compensation for services rendered or expenses incurred during the Compensation Period, but not processed prior to the preparation of this Application, if any.

SUMMARY OF SERVICES

20. During the Compensation Period, Jackson Kelly provided professional services to the Debtors in more than 150 active matters covered by the Jackson Kelly Employment Order. Since reciting each and every item of professional service would be extremely burdensome, the major areas of law to which Jackson Kelly devoted time and attention during the Compensation Period are summarized below. Exhibit B provides a detailed breakdown of the time devoted and fees allocable to each area of law, and is further broken down into discrete matters.

(a) Federal Black Lung

Jackson Kelly provided professional services in 27 separate and discrete Federal Black Lung matters during the Compensation Period. The total number of hours billed was 267.1. The total fees related to Black Lung matters were \$46,282.10.

⁷ Detailed time records were filed with Jackson Kelly's monthly fee statements for February 2013, [ECF No. 3345], March 2013, [ECF No. 3741], April 2013, [ECF No. 4031], May 2013, [ECF No. 4173], June 2013 [ECF No. 4338], and July 2013 [ECF No. 4482], and are hereby incorporated by reference.

The Debtors are party to numerous disputes regarding their alleged obligation to pay Federal Black Lung benefits to former individuals claiming to be suffering from coal workers pneumoconiosis, also known as black lung disease. In relation to these matters and issues, during the Compensation Period, Jackson Kelly worked on matters including:

Several of the Debtors' mining operations are subject to various environmental requirements, and failure to comply with these requirements could jeopardize the Debtors' continued operations at subject mines, adding an additional layer of complication to the Debtors

successful reorganization. In relation to these issues, during the Compensation Period, Jackson Kelly worked on matters including:

- Researching various permitting and environmental compliance issues;\
- Representing the Debtors in various matters before the West Virginia Department of Environmental Protection;

Mine Safety and Health citations – in widely varying degrees of severity – are an unavoidable part of the coal mining industry. These citations are usually resolved through either administrative litigation or by negotiated settlements between the operator and the United States Department of Labor. In relation to these matters and issues, during the Compensation Period, Jackson Kelly worked on matters including:

- Investigating accidents and preparing summary reports;
- Representing the Debtors at depositions;
- Negotiating settlements for numerous Mine Safety and Health citations;

(h) Legislation

Jackson Kelly provides local legislative and lobbying services for the Debtors throughout the year at a fixed rate of \$2,500.00 per month pursuant to the December 9, 2012, Fixed Fee Order.

21. The foregoing professional services performed by Jackson Kelly were necessary and appropriate to the Authorized Representation in connection with Debtors' chapter 11 cases. These services were in the best interests of the Debtors and other parties in interest. Compensation for the foregoing services as requested is commensurate with the complexity,

importance and nature of the problems, issues and tasks involved. The services were performed in an efficient manner.

ACTUAL AND NECESSARY EXPENSES

22. As set forth in Exhibit A hereto, Jackson Kelly has incurred or disbursed \$34,534.94 in expenses in providing professional services to the Debtors during the Compensation Period. These expenses cover Jackson Kelly's direct operating costs that are not incorporated into Jackson Kelly's hourly billing rates. Clients are charged separately for services of the types set forth in Exhibit A on a per use basis. If these costs were, instead, built into the general rates, low-use clients would effectively subsidize the expenses incurred by high-use clients.

23. The majority of these expenses relate to copies, special postage, research, depositions, experts, and the like; less than \$5,000 relate to travel. In accordance with the Guidelines, photocopying expenses are calculated at Jackson Kelly's cost-- \$0.10 per page. On several occasions, documents or materials had to be shipped at extra cost to meet deadlines. Consistent with the Guidelines, Jackson Kelly does not seek reimbursement for any expenses to deliver documents to its employees' homes.

24. Jackson Kelly has made every effort to minimize its expenses in providing the Authorized Representation. The actual expenses incurred in providing professional services to the Debtors were absolutely necessary, reasonable and justified under the circumstances to serve the needs of the Debtors.

**THE REQUESTED COMPENSATION
AND EXPENSE REIMBURSEMENT SHOULD BE ALLOWED**

25. Section 331 of the Bankruptcy Code provides for compensation of professionals and incorporates the substantive standards of section 330 to govern the Court's award of such compensation. 11 U.S.C. § 331. Section 330 provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered . . . and reimbursement for actual, necessary expenses." *Id.* § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded . . . , the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including:

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

26. Local Rule 2016(1)(B) requires that all professional fee applications analyze the 12 factors for allowance of compensation set forth in *Johnson v. Georgia Highway Express*, 488 F.2d 714 (5th Cir. 1974) (the “*Johnson Factors*”).

27. Jackson Kelly submits that its Application satisfies all of the *Johnson Factors*, as described below.

(a) Time and labor required.

In Jackson Kelly’s role as special counsel to the Debtors during the Compensation Period, it represented the Debtors in over 150 separate matters, which required extensive time and effort, often times in the face of significant time constraints.

(b) The novelty and difficulty of questions.

During the Compensation Period, Jackson Kelly represented the Debtors in a wide range of matters involving varying degrees of novelty and complexity. Many matters involved complicated legal issues requiring a high degree of skill and specialization.

(c) The skill required to perform legal services properly.

Jackson Kelly believes that its lawyers have demonstrated the skill levels necessary for the vigorous representation of the Debtors’ interest in rendering Authorized Representation during the Compensation Period.

(d) The preclusion of employment due to acceptance of the case.

Jackson Kelly’s agreement to provide the Authorized Representation to the Debtors has precluded Jackson Kelly from significant other employment opportunities. Jackson Kelly has declined numerous requests for representation of secured and unsecured creditors of the Debtors, several lessors of the Debtors, and at least one opportunity to represent a potential purchaser of

some of the Debtors' assets. Jackson Kelly has also declined miscellaneous other employment that would have been adverse to the Debtors.

(e) The customary fee.

The rates charged by Jackson Kelly in representing the Debtors are consistent with the rates charged to the Debtors prior to their bankruptcy. These rates are at, or in many instances, lower than the rates it charges other clients on similar matters.

(f) Whether the fee is fixed or contingent.

The fees requested herein are on a fixed basis. As explained in Paragraph 3, local legislative and lobbying services are provided to the Debtors at a fixed rate of \$2,500 per month. All other Authorized Representation is rendered on an hourly basis.

(g) Time limitations imposed by the client or the circumstances.

Many of the 150 matters involved significant time constraints and limitations.

(h) The amount involved and the results obtained.

Jackson Kelly worked diligently and efficiently to provide Authorized Representation to the Debtors. While the results in all 150 ongoing matters may not have been uniformly favorable, many have been, and, overall, the results have been exceptional given the particular circumstances of the specific matters.

(i) The experience, reputation and ability of the attorneys.

The professionals representing the Debtors in providing the Authorized Representation are highly skilled and experienced in the areas of law in which they provided representation.

(j) The undesirability of the case.

Jackson Kelly has been privileged to represent the Debtors in the years leading up to these bankruptcy proceedings and is privileged to continue to do so during their reorganization.

(k) The nature and length of professional relationship with client.

Jackson Kelly has a long-standing relationship with the Debtors and has provided extensive legal services to the Debtors for years prior to their Chapter 11 proceedings.

(l) Awards in similar cases.

The fees requested in this Application are less than would have been requested for similar representation in comparable matters.

28. Jackson Kelly respectfully submits that the services for which it seeks compensation and the expenditures for which it seeks reimbursement in this Application were necessary for and beneficial to the orderly administration of the Debtors' estates and their rehabilitation and reorganization effort. Jackson Kelly has continued to diligently assist the Debtors' during the pendency of their bankruptcy case. The services and expenditures associated with Jackson Kelly's services were necessary to and in the best interests of the Debtors' estates and creditors. Moreover, the compensation requested herein is reasonable in light of the nature, extent, and value of these services to the Debtors, their estates and all parties in interest.

29. Whenever possible, Jackson Kelly sought to minimize the costs of its services to the Debtors by utilizing talented junior attorneys and paraprofessionals to handle more routine aspects of case administration.

30. In sum, approval of the compensation for professional services and reimbursement of expenses sought herein is warranted.

NOTICE

31. Consistent with the procedures described in the Interim Compensation Order, the Debtors will serve this Fee Statement, by hand or overnight delivery, on (i) the Debtors, Patriot Coal Corporation, 12312 Olive Boulevard, Suite 400, St. Louis, Missouri, 63141, Attn: Jacquelyn A. ⁸ As required by the Interim Compensation Order, a disk with an electronic copy of this Application will also be included with the copy delivered to the U.S. Trustee.

CONCLUSION

WHEREFORE, Jackson Kelly respectfully requests (i) an allowance of compensation for professional services rendered during the Compensation Period in the amount of \$412,545.70 and reimbursement of actual and necessary expenses Jackson Kelly incurred during the Compensation Period in the amount of \$34,534.94; (ii) authorization for the Debtors to pay to Jackson Kelly that portion of the compensation amount not yet paid; (iii) that the allowance of such compensation for professional services rendered and reimbursement of actual and necessary expenses incurred be without prejudice to Jackson Kelly's right to seek additional compensation for services performed and expenses incurred during the Compensation Period that were not processed at the time of this Application and (iv) such other and further relief as is just.
