Your Honor,

My name is Albert Prince, I
am 71 years old. I am a member of U.M.W.A.
I worked for 37 years and retired from
Arch Coal Co. in 2003. I have never worked
for Patriot Coal Co.

I began work for Arch Coal Co. in
my younger years with the understanding
and agreement that once I retired my
health care would be taken care of the
rest of my life. Not only mine but my
wifes. It was my understanding that
a seperate fund from their other assets
was set aside for us retirees and our
families.

Now that I'm older, my and my
wifes health has deteriorated, we
need this health care coverage as
never before.

When you devote a major part of
your life to a big corporation and
you do the best job you can do for them
they make money.

It is nothing but fair that they
should honor the commitment they made
to me. Please take our lives, "the
little people," into consideration.

Thank You,
Albert Price
