

I would just like to say in my own voice
the indignity I am feeling at this moment.
about a huge corporation, who in my simple
little mind thinks was a spin off, to do or
try to do what is going on at this very
moment, to our husbands, son, and some wives.
They gave their very best years in health
to make billions for a very few at the
top. Now we are broke down with

Numerous health issues. Do we not have
enough to worry about, without mentally
being worn out thinking about our
medical (which was a lifetime promise)

without being mentally worn out
thinking about our benefits, we worked
like a dog for. I would like for those
few to sit back and put themselves

in all our places. Very cordially yours

Arley + Alice Petty

- We are preparing a video regarding our struggle that will be distributed to all Local Unions. The video can be shown at Local Halls, town hall meetings, churches and elsewhere.

As I previously stated, I am going to need your assistance if we are going to prevail against Peabody, Arch and Patriot. I have always been able to count on your support in the past, and I know I can count on you now. This is our fight and together we will win. May God Bless You and the United Mine Workers of America.
